Student Eligibility

If the student is under 18 years of age, they must be a full-time student either within their district or at a private school. The Wisconsin Technical College System prohibits us from working with homebound, home-schooled or students less than sixteen years of age. Students who have been expelled can contact Associate Dean Pat Kappel (414-297-7849) and apply for admission.

If the student is 18 years of age or older, they may take our courses to either earn a diploma from their home district or our Adult High school.

If the student wishes to pursue an Adult High School diploma, they should get a transcript from the last school they’ve attended and contact:
