New Study Abroad Program - Summer 2013
Traditional Chinese Medicine and Culture

- This exciting new course will introduce students to the history, concepts, elements and theories of Traditional Chinese Medicine (TCM).
- Students will learn basic TCM healing and health promotion practices at the Second Military Medical University (SMMU) in Shanghai. In addition to TCM, students will interact closely with nursing students at SMMU, and be introduced to China’s healthcare delivery system with several clinical tours.
- Finally, a weekend cultural excursion to Beijing and the Great Wall of China will be included.

**Dates:**
June 8-24, 2013
