<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

8. Essay: Attach your essay which needs to include the following information:

   a. How do you intend to enhance your technical skill or learning of the trades after high school?
   b. What is your career goal? — For example, what do you hope to be doing one year from now? Five years from now? Ten years from now?
   c. How did you decide upon your career goal? (Describe the activities — work experience, career counseling, influence by others, the entire decision—making process which led to your selection of a particular program and career.)
   d. Why do you need financial support for your technical education and how would your being awarded this scholarship help you with this need?

I verify that the information on this Application is, to the best of my knowledge, both complete and correct.
