ATTENTION
CJ-LE ASSOCIATE DEGREE STUDENTS

Overview — This program is open to MATC Criminal Justice-Law Enforcement program students only. Completion of academic and tactical curriculum coupled with scenario based assessment will allow you to become eligible for certification through the State of Wisconsin Law Enforcement Standards Board. Additional qualifications include:

1. Must have completed all nine (9) of the 900-908 courses with a grade of “C” or better and maintained a 2.0 GPA or better. These courses must be completed in 2 years as the tactical portions take one year to complete and the State of Wisconsin will not extend the total training program beyond three (3) years.
2. Must have earned at least 45 college credits prior to application for entry. This must include the 27 credits earned in Police 900-908. The remaining 18 credits must be transcribed college credit, not diploma or certificate credits.
3. Must be at least eighteen (18) years of age.
4. Must be a United States citizen.
5. Must possess a valid Wisconsin Driver’s License (or one recognized by the Wisconsin DOT).
6. Must undergo a criminal history/background check free of convictions that would prohibit possession of a firearm.
7. Must submit a medical authorization form, signed by a physician, allowing participation in vigorous physical activity.
8. Must successfully complete an oral interview before a panel of law enforcement professionals.

NOTE: Before obtaining certifiable status as a law enforcement officer in the State of Wisconsin, students must complete all of the mandatory curriculum found in Police 900 through 908 courses, all of the Unified Tactics found in the Police 170 through 176 courses listed below, scenario based assessments, and have no less than 60 total college credits.

Scenario based assessments are usually held each semester after the tactical training is completed. There is a special fee that is charged to participate in the Scenario Based Assessments.

Students have three (3) years from the start date of taking their first 900 numbered course to obtain certifiable status. If unable, the process must be completed again.
