

ADA Statement: If you have a disability that impacts your classroom performance and wish to request an accommodation, contact the Center for Special Needs at (414)297-6838 Room A202F at (414)571-4525. They may require documentation regarding your disability to enable them to comply with your request. Admission of a disability is voluntary and will be handled in a confidential manner. MATC does not discriminate against individuals with disabilities and fully complies with the Americans with Disabilities Act.

To ensure your academic success in this program, you are strongly encouraged to provide your instructor with a copy of the Instructor Notification Form from the Center for Special Needs. This should be done at the beginning of the semester.
