

## **Core Abilities and Indicators**

MATC's Core Abilities are the general skills, abilities and attitudes that are essential for every graduate.

Core Abilities are promoted and enhanced by faculty in all program courses.

Assessment of the Core Abilities is done at the course level, for the program, and via a student self-assessment survey.

### **Accountability**

We value and promote responsibility and transparency to achieve sustainability, continuous improvement, and the effective and efficient use of resources.

### **Diversity**

We value, respect, and cultivate a campus climate where thoughtful discussions lead to a more inclusive learning space.

### **Customer Focus**

We value and nurture relationships with our students and external stakeholders inviting feedback to ensure that we meet and surpass their needs and expectations

### **Student Success**

We value and prioritize the achievement of our students' goals by promoting student learning and providing a supportive environment to foster completion.

### **Excellence**

We value and achieve informed decisions and actions that promote high standards, innovation, and continual personal and professional development.

### **Integrity**

We value and champion ethical and honest communication and conduct.
